IN MEMORIAM

In memory of our Dear Brother, ESTON M. TERRY, who passed away three years ago, April 16, 1969.

We will never forget the morning that call,
Telling us that you had left us.

We didn't have time to tell you goodbye or how much we loved you.

For God so suddenly took you away.

They say dear brother, that time helps to forget, but so far we think of you each day

But we know that God knew best.

Sadly missed by William, Fannie and family 4-13-1p

In loving memory of my father, AURELIOUS A. BALDWIN who departed this life, 25 years ago, April 12, 1947.

It was on a Saturday morning,
One I shall never forget,
When God came and whispered
I must take you away.
Ahappy home I once enjoyed
How sweet the memory still
But death has left loneliness
The world can never fill,
Sadly missed by daughter, Cassie 4-13-1p

Boards Plan Affiliation

Alvin R. Clement, Pres. and William B. Chairman of Citizens Wealth Corporation, Lynchburg, and Dennis Chenault of Lynchburg, announced today that their boards approved plans for affiliation of the Clarington Corporation with the Virginia based registered bank holding company.

Under terms of the agreement, which is now awaiting approval by federal and state authorities, shareholders of the Citizens Commerce Corporation will receive shares of Fidelity Bankers stock for each share of Citizens Commerce stock. In addition, resulting in an exchange of 335,650 shares of the American stock for the 882 outstanding shares of Citizens Commerce stock.

Officials said the addition to being able to offer wider banking services to the area, the affiliation would provide holding companies participating in the transaction with certain tax benefits.

The related activities and administrative arrangements with the banks of the Fidelity Bankers system would enable the banks to lend up to $1 million to any one borrower.

When the affiliation is completed, Mr. Clement will continue to serve as president and Chief Executive Officer of Citizens Bank and Trust Company, will be named President of Fidelity Bankers, retaining his present position as Chief Executive Officer of the holding company and a member of its board of directors.

Citizens Bank and Trust Company, a subsidiary of the Commonwealth Corporation, will continue operating as Citizens Bank and Trust Company of Charlottesville with the direction of its present officers and board of directors. The corporation was organized in 1968 by Mr. Clement and associates for the formation of a bank holding company in Commonwealth Corporation.

On January 1, 1971, the corporation acquired all of the outstanding stock of Bedford Finance Corporation, a consumer loan company in Crozet, and that same month was granted a license by the Bank Control Corporation Commission to open an office in Charlottesville. On January 1, 1970, Citizens Commerce Corporation acquired by exchange of stock the outstanding stock of Citizens Corporation, which was a state holding company with offices in Appomattox and Farmville. In September, 1970, the bank holding company activated Citizens Mortgage Company to write commercial mortgages and to provide second mortgages to select clientele. As of December 31, 1971, the corporation had total deposits of $142,000,000 and total assets of $162,000,000.

Fidelity American Bankers has 49 bank locations in communities throughout central and Southside Virginia and in the Tidewater-Southside area. The registered holding company had total deposits as of $382.3 million and total assets of $33.3 million as of December 31, 1971.

NEW YORK—The civil disorders that raged across the nation during the summer of 1967 caused insured losses of more than $64 million, the Insurance Information Institute reports.

TRUCK OFFER EXTENDED TO CIVIC GROUPS

Presidents of county Ruritan clubs, Boy Scout and Girl Scouts leaders and others have contacted within recent days about the offer of a Dodge dump truck to help with county clean-up projects.

Willard T. Paulette, of Richmond and a native of Evergreen has offered the use of the truck to any group interested in beautification, especially as it relates to "Keep Virginia Beautiful Weeks", April 10-22.

The truck can be borrowed by getting in touch with James Paulette, Lawson Ford Co. or the Vocational Agriculture Dept. Appomattox County High School.

Traffic Deaths Rise After Early Reduction

RICHMOND, Va. – The highest traffic death toll ever recorded for the month of March more than wiped out Virginia's reduction of 25 deaths obtained in January and February, Colonel H. W. Burgess, Superintendent of State Police, reported today.

The 106 March deaths were well above the 83 of last March and topped the all-time March high of 103 set in 1968. The 1972 toll of April 1 stood at 263, or one more than for the same period of 1971.

Colonel Burgess said the tragedy of ill luck entered the picture in the form of a large number of crashes killing more than one person each. There were seven killing two each, four killing three, two killing four and one killing five.

Here he said that the same factors causing a crash can kill as many people as are in the vehicles involved yet who might do nothing to cause or prevent the crash.

Pedestrian deaths stood at 45 for each period and, coincidentally, there were 18, 12 and 15 respectively for January, February and March of each period. Deaths of serviceмen dropped from 18 during the first quarter of 1971 to 12 this year.

Noting there were 1,304 deaths for 1969, 1,231 for 1970 and 1,218 for 1972, Colonel Burgess said it was far too early and the increase far too slight to abandon hope for a third straight year of death reduction.

He concluded in saying that traffic volumes were up about 10 percent and that all 1972 statistics were subject to upward revisions due to late reports and deaths of those now carried as injured.

One of these is the Vocational Building, which will be a part of the new Appomattox County High School.

Another is the Upper Appomattox River Watershed Project - Robert E. Lee Soil-Water Conservation District. This was moved for acceptance by Mr. Henry B. Pack, Jr., of Appomattox, a member of the Commission.

The historic preservation of the Academy of Music, located in Lynchburg, was also approved. Several county residents have expressed interest in the preservation of the old theater.
